

THE FUTURIST

a STEAM'd uP³ Magazine

Science, Technology, Engineering, the Arts and Mathematics

uLearn Naturally Media Services:

Special Advertising Packages

We are launching the pilot issue of **The Futurist (Haringey)**, be a part of history in the making, perfecting a future of excellent learning locally. STEM + the Arts in ground breaking creativity

The Futurist (Haringey) is a STEAM'd uP³ magazine; a publication that is localised, in-print and digital
- bringing Science, Technology, Engineering, the Arts and Maths forward into community life, for enjoyment and insight.

This pilot issue spec:

Size: A4, 12 pages, full colour, 10000 distributed to local residents and businesses in N15 (pilot zone), estimated readership 27k people. Our Special Advertising Package includes audio podcasts about your service, product or project, plus profiling via our websites and social media networks. **If your interest is in education and learning then there's no better way to reach this local audience which surrounds the Chestnuts Community Centre (N15).**
